For 56 years, the Stage Alive Community Concert Association has been presenting top-quality professional artists to our community. We are an all-volunteer nonprofit organization committed to enriching the cultural life of seven counties in central Virginia through live performances. Stage Alive's annual concert series consists of six concerts, held in an auditorium at one of two high schools in Culpeper County.

It is barely two months since we launched our campaign to raise \$100,000 by December 31, 2026. At the Bridge & Wolak concert, Peter Williams, Stage Alive's President, announced that the contributions so far have reached \$30,000, which is great, but we still have a long way to go to reach our goal.

Stage Alive is so confident in its mission to continue providing high-quality musical entertainment at the lowest possible price that it is offering a money-back guarantee! If we do not meet our \$100,000 goal by the end of the year, donations of \$1,000 or greater will be refunded. For additional information, please visit our website at stagealive.org.

We hope as many of our subscribers as possible can donate. Please consider playing a vital role in preserving our unique association and its concerts by making a donation or pledging a future donation. Complete the form below and mail it back to us. Thank you so much in advance for playing an essential part in saving Stage Alive.

Please detach and make the check payable to Stage Alive CCA
